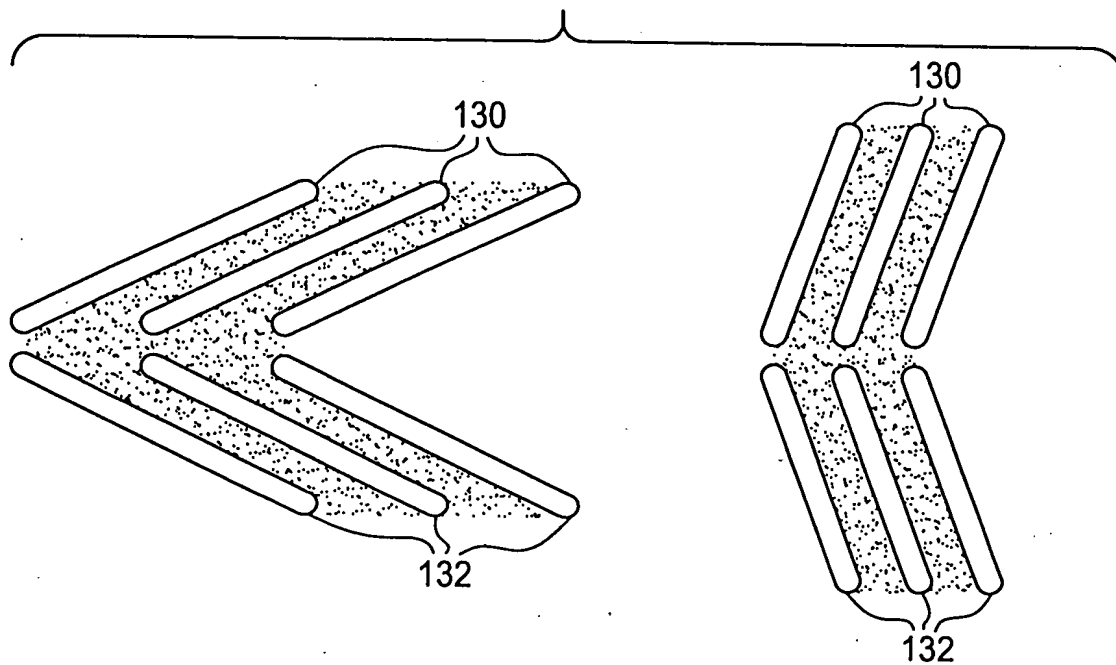

FIG. 5

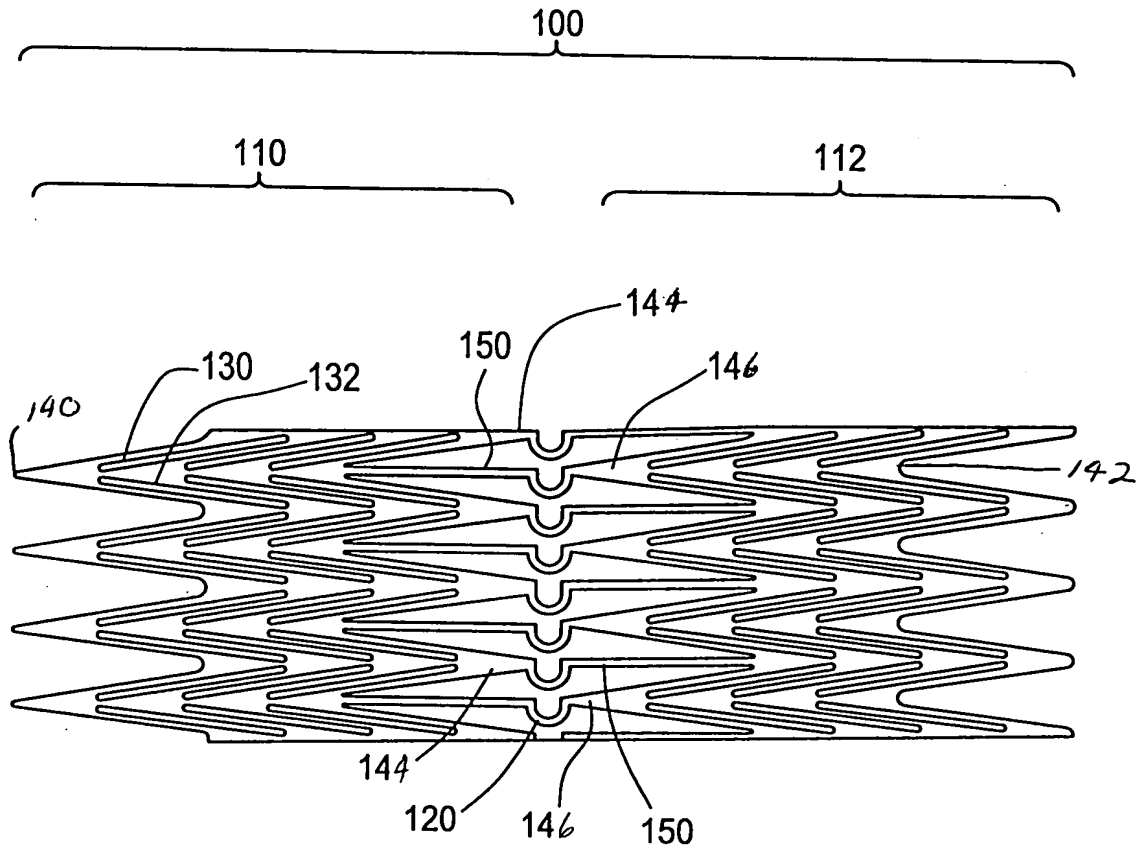

FIG. 6

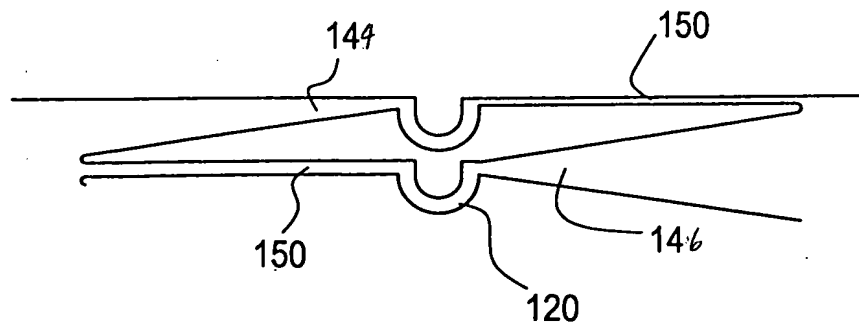

Figure 1 is a perspective view of a multi-layered, zigzag-shaped structure. The structure consists of multiple layers (130) stacked on top of each other. Each layer has a zigzag or corrugated profile. The top layer is labeled 110. The layers are connected by a central vertical structure (120) that forms a series of U-shaped or V-shaped joints. The outer edges of the layers are labeled 140 and 142. The central vertical structure is labeled 144, 150, and 146. A bracket at the top indicates the overall structure.
